Resource Directory

Organizations

American Cancer Society

The American Cancer Society (ACS) offers programs that help cancer patients, family members, and friends cope with the treatment decisions and emotional challenges they face.

Telephone: 1-800-492-0329

www.cancer.org

Brain Tumor Society

The Brain Tumor Society is a national non-profit agency that provides information about brain tumors and related conditions for patients and their families. Financial assistance is given through the agency's BTS CARES Financial Assistance Program. This program provides supplementary financial assistance to individuals experiencing financial need. This program covers specific nonmedical costs related to a primary brain tumor diagnosis. Direct medical expenses are not covered.

Telephone: 1-800-770-8287

www.tbts.org

CancerCare

CancerCare is a national non-profit agency that offers free support, information, financial assistance, and practical help to people with cancer and their loved ones. Financial assistance is given in the form of limited grants for certain treatment expenses.

Telephone: 800-813-4673

www.cancercare.org/get_help/assistance/cc_financial.php

GoodDays

GoodDays is an independent 501(c)(3) non-profit charitable organization that helps underinsured patients with chronic disease, cancers or life-altering conditions obtain the expensive medications they need.

Telephone: (972) 608-7141

www.mygooddays.org

The Healthwell Foundation

The HealthWell Foundation® is a non-profit, charitable organization that helps individuals afford prescription medications they are taking for specific illnesses. The Foundation provides financial assistance to eligible patients to cover certain out-of-pocket health care costs.

Telephone: 800-675-8416

www.healthwellfoundation.org

Patient Access Network Foundation (PAN Foundation)

Patient Access Network (PAN) Foundation is an independent, not-for-profit foundation established in 2004, dedicated to assisting patients who cannot afford the out-of-pocket costs associated with their treatment needs. With 20 disease-specific funds, PAN assists the underinsured in accessing health care treatments.

Telephone: 866-316-PANF (7263)

www.panfoundation.org

Patient Advocate Foundation

Patient Advocate Foundation is a national non-profit organization that seeks to safeguard patients through effective mediation assuring access to care, maintenance of employment, and preservation of their financial stability relative to their diagnosis of life threatening or debilitating diseases.

Telephone: 1-800-532-5274

Pharmaceutical Company Patient Assistance Programs

Some pharmaceutical companies offer prescription drug programs to make specific drugs available to people who could not otherwise afford them. Generally, your doctor must apply to these programs on your behalf. However, you can call and obtain the applications and information to help speed the process. Eligibility requirements and program operations vary greatly from one program to another.

Following are listings of pharmaceutical company patient assistance programs for some of the drugs commonly used by people with lung cancer.

Amgen, Inc.

Amgen's patient assistance programs are a continuum of services designed to provide access through free goods and other support services to qualifying uninsured and underinsured patients. In addition, Amgen makes donations to third-party co-pay assistance foundations. To enroll, please call the appropriate hotline number listed below.

Telephone: 1-800-272-9376 (nephrology)

1-888-427-7478 (oncology)

1-888-762-6436 (The Safety Net Foundation)

Government Resources

Food and Drug Administration (FDA), Single Patient Investigational New Drug Program

Patients who are not eligible for a clinical trial and who are in an immediate medical crisis may be able to receive drugs that are not yet FDA-approved. Your doctor would have to apply to the FDA for permission to use the drug, an approval known as a Single Patient IND for Compassionate or Emergency Use. Contact information appears below. The FDA usually responds to an application within 24 to 48 hours.

Telephone: CDER Oncology Drug Products (most cancer drugs): 301-594-2473

CDER Oncology Branch (for biologicals): 301-827-5093

National Cancer Institute (NCI)

The National Cancer Institute (NCI) is part of the National Institutes of Health (NIH), which is one of 11 agencies that comprise the Department of Health and Human Services (HHS). NCI, established under the National Cancer Institute Act of 1937, is the Federal Government's principal agency for cancer research and training. The National Cancer Act of 1971 broadened the scope and responsibilities of NCI and created the National Cancer Program.
